BANKERS SURE LOAN WILL BE SUBSCRIBED

Enthusiasm Among Financiers at Conference on Victory Bond Campaign.

That the Victory Liberty Loan will go over with a rush in the first Oklahoma district of which Tulsa is headquarters was the consensus of opinion expressed by bankers and business men of the 11 counties of the district who attended the first district conference in the municipal auditorium Friday afternoon.

Worthington, assistant to J. Z. Miller, governor of the federal reserve bank at Kansas City was the principal speaker at the opening of the conference.

At his address Mr. Worthington stated that the amount to be raised through the fifth loan had not yet been specified by the government.

It is probable, however, that it will be at least \$5,000,000, and perhaps \$7,000,000,000. The bonds will probably bear interest at the rate of 4 per cent, and will be non-taxable, which is an excellent feature.
